

Abbie Webb
Sustainability Director
Casella Waste Systems

Abbie Webb is Casella's director of sustainability, responsible for leading the company's sustainability programs, with an emphasis on innovation and engagement. Ms. Webb is supporting the development of sustainability services in areas like recycling, food waste, and resource management planning. She has been with Casella for nearly 15 years. Ms. Webb holds a bachelor's degree in environmental geography from Colgate University and a master's degree in environmental planning from Cornell University.
