

**Jeff Lafleur**  
**Superintendent of Solid Waste**  
**City of Nashua**

**Jeff Lafleur** is the Superintendent of the Solid Waste Department for the City of Nashua. He has been with the City for 23 years. His department collects MSW, Yard waste, and oversized items for the 93,000+ residents of Nashua. He oversees the recycling/transfer center. He also operates a 300-acre landfill in the heart of Nashua. Jeff oversees 4 closed landfills in Nashua which have been turned into current use areas. He is a Certified Public Manager and is a Manager of Landfill Operations through SWANA (MOLO).
