Dear Friends,

The Solid Waste Association of North America (Northern New England Chapter) is announcing the availability of a scholarship for current undergraduates, graduate students, or high school seniors who have been accepted into an undergraduate or graduate program and have a keen interest in our industry.

The award is offered in remembrance of Steve Parker, a founding member of the SWANA Northern New England Chapter. The scholarship is for \$1000.00 and is limited to students in Maine, New Hampshire, and Vermont. *Applicants do not have to be SWANA members; however, if the applicant has identified a SWANA family member (parent, grandparent etc.) their application may be submitted for consideration for additional scholarship funding from the International Scholarship Committee of SWANA Headquarters. The amount of each award will be determined by the International Scholarship Committee. To be considered for additional scholarship funding (beyond what the NNE Chapter is offering) please see page 3 of the application.*

Please mail the completed application to Kevin Roche, Chapter President @ **ecomaine**, 64 Blueberry Road, Portland ME 04102. Completed applications must be returned no later than April 19, 2021.
