

# "Glass Recycling Challenges & Opportunities"

**"Glass Recycling Challenges & Opportunities"**  
**Organized by –Northern New England Chapter of SWANA**  
**Vermont Program Committee –**  
**Webinar - Zoom Platform – Technical Session**  
**September 29, 2021 – 1pm to 4pm**

**Description: Please join us in learning and understand what the challenges & opportunities are for glass recycling. This Webinar-Technical Session will focus on the options for recovery and developing markets for the use of glass. Our presenters will describe sustainable methods of capturing glass recycling, costs associated with recovering and end uses on MRF glass.**

**There will be and Q& A session at the end of the presentations.**

**SWANA Members \$25.00, Non-Members \$35.00 & Students Free**
